Ice, speed cited in Newry fatality

By MICHAEL DANIELS

An accident Saturday in Newry claimed the life of an 18-year-old West Bethel woman.

The accident occurred at approximately 5:00 p.m.

Michelle Waterhouse, who was driving alone, had just left her job as a waitress at the Jordan Bowl Hotel.

According to a state police report, Waterhouse's 1992 Ford pickup truck skidded on a patch of ice on the Monkey Brook Road, hit a guardrail and utility pole, then plummeted down a 100-foot embankment.

Attempts by rescuers to resuscitate Waterhouse were unsuccessful.

The ice on the road and excessive speed for the conditions were listed in the state police report as contributing factors in the accident.

A former student at Telstar, Waterhouse had worked for the hotel since 2003.

FIREWORKS LIGHT UP MT. ABRAM

The trail lights at Mt. Abram got a little extra help Saturday evening, as a fireworks display concluded the skiway's annual auction. This year's event raised more than \$18,000 for the Mt. Abram Ski Patrol and the Maine Special Olympics.

Snow-removal hours again under review

By MICHAEL DANIELS

While the snow is falling, Bethel's highway crew can be out at all hours plowing, but when the snow stops, clean-up operations can take place only after 5 a.m.

That's town policy, but it's a policy some selectmen and Town Manager Scott Cole would like to change.

Their primary concern is safety. By 7 a.m., when clearing operations after a big storm are in full swing, town streets, especially Main Street, can be busy places, with cars, school buses, children waiting for those buses, and other residents and visitors going about their business.

Toss in a dozen pieces of heavy highway equipment, collecting and hauling off 75 to 100 truckloads of snow, and you've got a confusing, perhaps dangerous, situation.

"It's a fight out there," Selectman Jack Cross said last week.

As long ago as 2000, Cole pressed the selectmen to let the crew begin work earlier.

"There's got to be some revision in the start time," he told the board. "Both the [then] police chief and public works director feel there is a safety issue."

Five winters later his position is unchanged.

"It's been my position as town manager all along that the town crew ought to have discretion regarding when it begins storm removal operations, not be bound by arbitrary start times," he told the selectmen last week.

But also unchanged is the policy.

The selectmen declined

Pepsi to donate scoreboards for Telstar athletic fields

By ALISON ALOISIO

Faced with cutting programs and staff positions to hold the line on next year's budget, the SAD44 School Board Monday voted to accept the donation of four electronic scoreboards from the Pepsi Bottling Co.

In return, the company will have its name printed on the scoreboards, and will also be the district's sole provider of district vending machine items until 2011.

The scoreboards are worth between \$40,000 and \$60,000, according to Superintendent Dave Murphy.

Murphy said he had negotiated with Pepsi to include an 18-inch high panel below the scoreboards that will display the words "Donated by the Pepsi Bottling Co." The com-

pany's logo will not appear.

As for receiving exclusive rights to provide vending, Murphy said the company has informally been the sole provider "for the past 20 years."

The agreement simply formalizes an existing arrangement, he said.

He said school vending machines currently sell mostly juices and water, and the district is moving toward selling those two items exclusively.

But soda may be sold at food booths during fundraising events, he said. Murphy said he encourages organizations selling items to purchase them from Pepsi.

Borrowed boards

Murphy said Telstar is one of only a few schools without its own scoreboards. Last fall, when the school hosted a field hockey playoff game,

Changing of the guard in Upton

By ALISON ALOISIO

Two familiar faces will retire from their Upton town seats this year, leaving voters to elect replacements at tonight's Town Meeting.

Richard LeComte, who has served 30 years on the Board of Selectmen, will not be a candidate for re-election.

Selectman Larry Nelson said Paul Casey has indicated he will run for the seat.

In addition, Walter Stanczyk will retire as town clerk and tax collector, according to Nelson. He has served in those positions for several years, and until last year, also served as treasurer.

Jim Rector was elected treasurer last year, and is expected to run for the other positions Stanczyk will vacate, Nelson said.

If voters approve all 30

articles on the warrant, the municipal budget will total about \$149,000, Nelson said. That's down about \$10,000 from last year.

The town's school budget will decline this year, he said. Under the state's new school funding system, Upton will receive about \$14,000 from

W. Paris voters have final budget say

By DUANE HAYES

The 2005 annual West Paris Town Meeting will convene at 10 a.m., Saturday, March 5, in the gymnasium at the Agnes Gray School, and voters will be asked to consider a possible municipal budget showing figures as proposed by both the selectmen and budget committee.

Presentation of two proposals has become an annual tradition over the past several years, as the selectmen feel the voters should have the varying choices.

The figures presented include \$658,596 as recommended by the selectmen, while the Budget Committee feels municipal expenses can be met with a figure of \$646,999. The proposals show reductions from 2004 of \$41,184 and \$27,741 respectively.

The proposals are also down significantly from the \$787,681 that came in through requests from department heads and social service organizations. To lower that amount the selectmen and budget committee members cut most articles over which they had control, with the largest cuts coming to about

Newry municipal budget to drop

By ALISON ALOISIO

Newry voters can approve all 59 articles on the Town Meeting warrant Monday and still end up with a municipal budget that is \$70,000 less than last year's.

The proposed budget totals \$614,000, down from 2004's \$683,000. (The 2004 figure includes \$30,000 in additional funds appropriated at a special Town Meeting to cover solid waste costs.)

The budget decline is due primarily to the fact that the town already has the money to pay this year's installment of a loan for a new fire truck.

Newry raised \$65,000 last year, when the town approved the purchase of a ladder truck. The first payment is not due until November of this year.

Nonetheless, selectmen are still recommending that

townspeople raise \$20,000 toward the truck payment, because the exact amount is dependent on interest rates.

The Administration Account is also down this year. A total of \$107,125 is budgeted, compared to 2004's \$124,633. Last year, \$55,000 was appropriated for a town revaluation, which is still

Puzzle Mt. donated to Land Trust

Robert Stewart of Cumberland last week presented a gift of approximately 500 acres of land to the Mahosuc Land Trust.

The parcel encompasses the three summits of Puzzle Mountain and five miles of the Grafton Loop Trail corridor.

The parcel is the largest gift of land to the Mahosuc Land Trust to date. It will be known as the "Stewart Family Preserve."

The land will be conserved in its current state, with public access via the Loop Trail, a snowmobile trail and the potential for other trails in the future.

The MLT may also create a management plan that includes the harvesting of timber from a portion of the land at some future date, according to Executive Director Jim Mitchell.

Puzzle Mountain (elevation 3,142 feet) is located in the southeast portion of the town of Newry. The mountain has three open summits with outstanding views. It is a prominent local landmark visible throughout the area. It dominates the view looking north-northeast from Main Street in Bethel.

Stewart is an active outdoorsman, businessman and philanthropist from Yarmouth. He has worked for the last decade fulfilling his dream of building the Grafton Loop Trail.

The trail leads south from the Appalachian Trail near the summit of Baldpate Mountain, along the ridges on both sides of the Bear River Valley.

The Loop Trail rejoins the Appalachian Trail near the summit of Old Speck Mountain.

The trail on the northeast side of the valley has been open for two years and the rest is expected to open in the fall of this year.

BE HEARD ON SNOW REMOVAL

To the Editor:

Selectman Jack Cross has done well acknowledging snow clearing policies as a matter on which citizens should be heard (letter, Feb. 24).

There is little doubt that clearing snow is very inconvenient at anytime; it is particularly inconvenient for those who must do it — the town road crew, which does remarkable work on our streets and sidewalks, and those who drive the trucks that carry the snow away when clearing the village of snow, often several days after the snowfall. It is also clear that this post-storm snow clearing creates inconvenience for motorists and pedestrians in the early morning hours. It is less clear that slow-moving trucks, slow-moving snow loaders, and slow-moving vehicular traffic should contribute to danger significantly beyond that of ordinary daily life.

About a decade ago, the Board of Selectmen responded to the insistence of a significant number of village residents and business owners that noisy, middle of the night, snow clearing be curtailed. Village residents and those who rely upon the comfort of paying guests in their establishments for their livelihoods found the piercing back-up alarms, roaring loaders, and house-shaking plow blades against the curb impossible to sleep through. Disgruntled innkeepers and village residents asked that post-storm snow removal be limited to allow them and their patrons reasonable hours of sleep.

In response to that citizen insistence, the selectmen established a policy that permitted ordinary road and sidewalk plowing as needed, regardless of the hour, but restricted sidewalk clearing and removal of snow from the village by truck to hours after 5 a.m. and before 11 p.m.

This policy has worked well over the years and has helped control over-expenditure of the overtime budget of the road department. Winters like the one we're currently experiencing stress the overtime budget without sidewalk clearing and truck removal of snow from the village during the middle of the night. Without that additional late-night work, the overtime budget of the road crew is currently overdrawn by nearly 14 percent.

Selectman Cross is right; it is important that citizens have their voices heard on this policy. I will recommend to the Board of Selectmen that a public hearing on the matter provide all interested parties an opportunity to voice their opinions on late-night village snow removal before any changes to the policy are enacted. Please plan to attend that meeting if you or those who sleep in your establishments need to be represented at the hearing.

UNCONSCIONABLE PROPOSAL

To the Editor:

We have lived in Bethel for seven years now, and for the third time in that period there is a push to have the snow piles on the streets removed during the middle of the night. It is bad enough now when they start at 5 a.m., as anyone who lives on or near the streets involved knows. The noises generated by the process are so loud and penetrating that sleep is impossible. This affects literally hundreds of people, and to expect all of those who live on or near the streets involved to give up an entire night's sleep is unconscionable.

I also find it interesting here in Bethel that very often when someone is trying to push an unpopular or costly idea, it is portrayed as being "for the safety of the children." After all, who could possibly be against protecting the children? I have found, though, that this position is usually a rationale, not a reason, and that if you peel away the layers, there is usually a financial interest involved. I remember a short while ago, when the cause was the paving of the green spaces on lower Main Street. One side wanted more parking for business, one side wanted to keep their lawns, and both sides (I am still trying to figure this one out) played the "safety of the children" card.

I am sure that it is easier, faster, and cheaper to clean the streets when there are no parked cars or other obstructions in the way, but let us not kid each other. If it was just a case of safety, then there should have been flagmen and police traffic controls all along. Keeping hundreds of people awake for an entire night should certainly not be an option.

NEW MENINGITIS VACCINE

To the Editor:

Available hopefully in March — a new vaccine, Menactra, for people ages 11 through 55. The vaccine is effective for more than eight years and will attack the bacteria which lies dormant in 10 to 15 percent of people.

It will be effective against four of the five major strains of bacterial meningitis and lessen the risk of contracting by 70 percent.

The danger with meningitis is that it mimics the flu, that is why it is so important for parents to do all they can to protect their children, and they should start by having them immunized.

NOW, ACTION STEPS IN TRAILS EFFORT

To the Editor:

To the 75 participants at the Trail Workshop held at Telstar Regional High School on Jan. 27, the organizers extend a huge "thank you" for being a part of shaping a conceptual plan for a trail network for our area. You collectively generated dozens of ideas about what the trails would look like, who would use them, and what the challenges and opportunities will be. Your input added critical data to nine months of trail planning and the responses from last fall's widely circulated Trail User Survey.

Your input, critiques, and suggestions for the four central trail themes presented in small group work sessions — Bethel Pathway extension, Sunday River to Bethel, Bethel to Angevine Park, and Safe Routes to Schools — has been documented in a complete write-up being sent by e-mail to all participants who provided an e-mail address and available to anyone else interested in receiving a copy.

The collective vision is of a central trail network initially linking Bethel and the Bethel Pathway to Sunday River and Angevine Park, supporting multiple user types, with connections accommodating more specialized or less intensive uses and motorized and non-motorized users.

Equally important, the workshop has prompted a series of action steps open for citizen involvement:

Grant Writing. Persons with either a background in grant writing or willingness to learn are needed. The committee will pay for at least one person to attend a "Grantwriting for Tourism Workshop" on March 23, in Augusta, although prompt response is required. Contact: Robin Zinchuk, 824-2282, or robin@bethelmaine.com.

Specific Trail Task Forces. Committed individuals are needed to provide ideas and oversight for the four projects to proceed independently, and we are creating separate task forces to advance them: Sunday River to Bethel (contact: Jeff Parsons, 824-4224, or info@bethelout-dooradventure.com); Bethel to Angevine Park (contact: Kirk Siegel, 824-0717, or kirks@megalink.net); and Bethel Pathway Extension (contact: Bonnie Pooley, 824-2236, or Bonnie.Pooley@gouldacademy.org). Task forces will meet between the monthly meetings of the trails committee and report to the committee.

Safe Routes to School and Bike/Pedestrian Advocacy. Attendance at a free Safe Routes to School Leadership Training on March 21 in Augusta is recommended, and registration information is at www.bikemaine.org/safeways/index.html. Contact: Barb Russell, 824-2839, ext. 1107 or russellb@sad44.org for information about the leadership training or participation in the task force.

Membership. Mahoosuc Land Trust, the parent organization to the trails committee, has many volunteer opportunities, and becoming a member of the land trust directly promotes the trail effort. Contact: Jim Mitchell, 824-3806 or milt@megalink.net.

Trails Committee. For a highly committed person with an interest in ongoing strategic planning and financial oversight willing to attend monthly meetings, contact Bonnie Pooley, chair, or Kirk Siegel, coordinator.

Landowner Committee. A group of committee members and landowners has been formed to address landowner concerns, trail stewardship, and related issues. Contact: Cheri Thurston, 824-2255, or cheri@remaxinthemountains.com.

As an ongoing resource for all of the above efforts, a comprehensive feasibility study and analysis of the various trail segment alternatives will be initiated using the Geographic Information Systems (GIS) capability being developed under the expert guidance of Jim List of Hanover.

The committee expresses gratitude for the enthusiastic participation at the workshop, and for the funding by the New England Grassroots Environment Fund that made it possible. We look forward to working with past participants and the public at large in this important effort.

Bethel Area Trails, a committee of the Mahoosuc Land Trust*

W.E.S. FIFTH-GRADE THANKS

To the Editor:

I would like to take this opportunity to thank the surrounding communities for all of the support they have given the Woodstock Elementary School fifth grade. Our class has been working hard to raise money for an overnight trip to Boston as part of our science and social studies curriculum. Since October, we have been selling raffle tickets and working on the organization of our Basket Bingo, which was held on Jan. 30. Everyone we have asked to help us out has been extremely generous. The turnout for our bingo was huge, and donations have been overwhelming. As a result, we have now raised enough money for our Boston trip and promotion night in June.

It would be impossible to list everyone who has helped us over the past few months, but a special public thanks needs to be given to the dedicated parents who were the heart of it all. They spent hours upon hours putting together all the pieces to make the event work, and our class is truly thankful for all of their help.

Finally, it is important for us to recognize the Jackson-Silver American Legion Post in Locke Mills for their generosity. The Legion made sure we had the appropriate facilities, a great bingo caller, wonderful help, and all the small details to make the event run smoothly. The Legion really helped us get it all together.

It is wonderful to be part of such a dedicated and caring community. Thanks again to everyone who made our fundraising a success.

Snow

Continued from page 1

Cole's 2000 request to change the start time, and when the matter came up again in 2003 they held a public hearing, where the majority of the residents who turned out also opposed any change.

Most of the people at that hearing were in-town residents and lodging business owners, who argued that the snow-removal operations were too noisy for the wee hours, when they and their guests were trying to sleep.

"Hundreds of people are going to be inconvenienced and woken up," said Fred Nolte, owner of the Chapman Inn. "It's a terrible, terrible idea."

Again, the selectmen declined to make the change, but they instructed Cole to work with the public works director to explore other options, such as removing the banks in the evening.

Cole said Tuesday that a number of options were explored, including piling the snow in the middle of the street until it can be collected (as is done in Norway), or disabling the back-up beepers on the equipment.

But the pile-in-the-middle option was ruled out because Main Street in Bethel is not wide enough, Cole said, and disabling the beepers would raise serious insurance issues.

Some minor adjustments were made to the sequence in which various streets are done, Cole said, "but there

really is no good solution."

The four selectmen who were present for last week's meeting seemed willing to reconsider changing the hours.

The matter was raised by Don Bennett.

"I had a person tell me the other day they felt totally lost in their own town," Bennett

'If I went to New York City, I wouldn't dictate to them when to remove their snow.'

DON BENNETT
Bethel selectman

said. "They came out and started to go one way, realized they couldn't go in that direction, wound up going up one street, down one street, turned around, backed into someone's driveway, went up another street and down another, because they didn't want to wreck their car by going through a plowed up wad of snow."

Reggie Brown agreed that the current arrangement is fraught with confusion.

Following one recent storm, he said, "I stood in Brooks' [Bros.] window and watched the cars on Main Street — it

was comical," he said.

Stan Howe also favored removing the snow at whatever time makes most sense.

Howe noted that he sleeps in a room that fronts Broad Street, and he is not bothered by the noise when snow removal is in progress.

"I hear it all, but I know what's going on, so I just roll over and go back to sleep," Howe said.

Cross — a private contractor who works in the snow-removal operations — has long favored an earlier start, and argued for such a change in a letter to the editor in last week's Citizen.

(Board Chairman Dutch Dresser was not at last week's meeting. He has consistently opposed changing the start time. He and Fred Nolte respond to Cross in letters of their own, on page 2 of this week's Citizen.)

Bennett has raised the snow-removal timing as a "selectman's comment" at the end of last week's regular meeting. The matter had not been on the agenda for formal consideration, but Bennett said he would ask to have it placed on a future board agenda.

He said he was sympathetic to the argument that paying guests in lodging establishments probably do not enjoy being awakened at 2 a.m.

But, he said, "If I went to New York City, I wouldn't dictate to them when to remove their snow."

Briefly

NTL out of lodging business here

BETHEL — Beginning in June, NTL Institute will direct all participants attending its personal and professional development programs held here to local lodging establishments. Rooms in NTL's Founders' House, previously used for lodging, will be used for meetings, training, study, research and bookstore expansion, according to a prepared release. NTL Institute anticipates that more than 400 participants and members will attend one of its several Bethel programs addressing interpersonal and group dynamics, diversity and organization development this summer. NTL estimates that most establishments should see their NTL related business increase by more than 10 percent. According to NTL President and CEO Margaret Tyndall, "We understand that our business is training and education and that our primary task is to meet our clients' learning needs. Similarly when it comes to lodging, there are others for whom providing superior accommodations is their primary task. Earlier this year we partnered with Dolce International, a hospitality industry leader, to provide meeting space and lodging for participants attending our programs in Washington, D.C., San Jose and Houston. For many years, the local business community has provided superior accommodations for participants while in Bethel and we see this decision as broadening that relationship." According to the release, NTL will work with the local business community to assure that participants have adequate information about available accommodations. Lodging and restaurant information will be available on NTL's website, www.ntl.org

Town Office hours changed

GREENWOOD — Starting April 1 the Town Office will be open on Wednesdays from 8 a.m. to 4 p.m. and closed on Thursdays. Currently the office is closed to the public on Wednesdays, in order to allow the staff to work uninterrupted. According to Town Manager Kim Sparks the new arrangement is in response to numerous requests from residents asking that the office be open on the same weekday, Wednesday, that the transfer station is open.

Six new sheriff's cruisers to roll

SOUTH PARIS — The Oxford County Sheriff's Department will soon have six new patrol cars. The department usually trades in four cars a year, but this year only three will be traded in, resulting in a net gain of three vehicles, which are slated to be used by three new deputies who will start work on July 1. The new deputies and the cruisers have been approved by the Oxford County Commissioners. The successful bidder on the cruiser sale was Ripley & Fletcher of Paris, which bid \$105,569.

Rt. 219 speed request denied

SUMNER — The Maine Department of Transportation has denied a request from town selectmen to lower the speed limit on a 4.7-mile stretch of Route 219. The road in question runs east from the Hartford-Sumner Elementary School to the west end of Sumner Flats. The speed limit is currently 45 mph. The selectmen asked that it be lowered to 30 mph. While MDOT declined the request, the department did agree to conduct a study on the remaining stretch of Route 219 in the town.

Second Becky Shaw Day planned

Shaw Memorial Para Optometric Education Fund, established in 2003 in memory of Shaw after she died in a car accident. The ski day will also include ski and snowboard lessons, T-shirt sales and live entertainment starting at 3 p.m. in the Loose Boots Lounge. For more information call 875-5000 or e-mail mtabram@skintabram.com.

Plaza bid opening Monday

RUMFORD — Town officials expect to open bids Monday, March 7 for the former Abbott Farm Plaza. A minimum bid of \$200,000 is being asked for the building complex and eight acre parcel, which is located west of town on Route 2. A decision on who will purchase and redevelop the former Thurston mill property, also located on Route 2, approximately 3 miles west of the plaza, has been put off for several weeks. Two businesses have expressed interest according to officials of the River Valley Growth Council. The mill site was donated to the Growth Council by an Auburn Investment group, which purchased it for \$115,000.

Names sought for mill

RUMFORD — Cerberus Capital Management, which is purchasing the MeadWestvaco paper mill here, has asked mill employees to suggest a new name for the facility. Employees can also suggest logos. The new name is expected to be announced sometime this month, according to a company spokesman, and the \$2.3 million mill purchase is expected to close shortly afterwards.

\$250,000 grant will rehab mill

NORWAY — A \$250,000 Community Development Block Grant has been awarded to a non-profit group to assist in the rehabilitation and reuse of an abandoned mill facility in downtown Norway, according to Gov. John Baldacci's office. The purpose of the grant is to improve community and economic conditions and promote private investment.

the state this year, compared to about \$2,200 last year. There is little change in other accounts to be voted upon, he said. And because there should

be \$18,000 less to be raised by taxation this year, the mill rate should go down, Nelson said. The meeting starts at 7 p.m. at the School Building.

\$50,000 from the Fire Department and Library accounts. Also, to lower the bottom-line figure when voters make their wishes known, it was decided by both groups to use \$281,000 from revenues and undesignated funds to keep taxes as low as possible.

As to how the proposals compare to last year, Town Manager Donald Woodbury said, "If the budget passes as proposed by the selectmen and budget committee, we will see a one- to three-percent decrease from 2004.

"But if it passes as requested by departments and social services we will be looking at a significant increase. The selectmen and budget committee have shown they are trying their best to keep taxes down as much as possible, but it is up to the people from here."

Woodbury noted that what the people will be approving during the Town Meeting will be the municipal budget only.

The figure will not include the school assessment for SAD17 or the Oxford County

taxes. Those amounts are not available at this time, as those services operate on a fiscal year from July 1 to June 30, while the town runs its year from Jan. 1 to Dec. 31.

Woodbury said he expects that figures from the school district and county will most likely increase.

Once those amounts are known he feels the final budget will be around \$1.3 and \$1.4 million, as it has been over the past few years.

Prior to the business session municipal elections will be held, with Wayne Theofrastore and Chris Cooper running for a three-year term on the board of selectmen.

Also, incumbent school director Dale Pilrainien will be trying for another three-year term on the SAD17 board, and Shane Poland will be running for another three-year term on the board of trustees for the West Paris Water District.

As is true most years there may be more candidates, as nominations are traditionally taken from the floor during the meeting.

underway, according to town officials.

The largest increase in standing accounts will be for Sanitation, which includes solid waste. Selectmen are recommending \$156,000, up from last year's \$130,000.

Newry ended up spending a total of \$141,000 on sanitation in 2004. Town officials added 10 percent to the amount spent in 2004 to come up with the recommendation.

The recommended amount for Highway Capital Improvements is also up, to \$50,000, from last year's \$39,000.

The account had been depleted in recent years because of regular road improvements. No specific improvements have yet been planned for 2005, but some are likely, town officials said.

Voters will also be asked to raise \$6,000 for the Town Celebration Reserve Account, for Newry's 2005 Bicentennial observance, and \$2,000 to continue the Bear River watershed study.

Elections Selectman Wendy Hanscom's three-year term on the Board of Selectmen is up, and she is expected to run again.

Administrative assistant Loretta Berry said she has not heard anyone else express interest in the seat.

Alan Fleet is expected to run again for constable and dog officer. Kathi Schandelmeyer's seat on the SAD44 School Board is also up for a vote.

Monday's 7 p.m. meeting, at the Grange Hall, will be preceded by a potluck supper at 5:30 p.m.

"Bob is more knowledgeable about and committed to a single piece of land than anyone I know," said Landon Fake, president of the MLT Board of Directors.

"He has climbed Puzzle literally hundreds of times and brought dozens if not hundreds of others with him. If you want to talk to him, it's often easiest to go climb the mountain with him. We are

enormously grateful."

Stewart has received approval for a five-lot subdivision on an abutting 250-acre parcel he has retained.

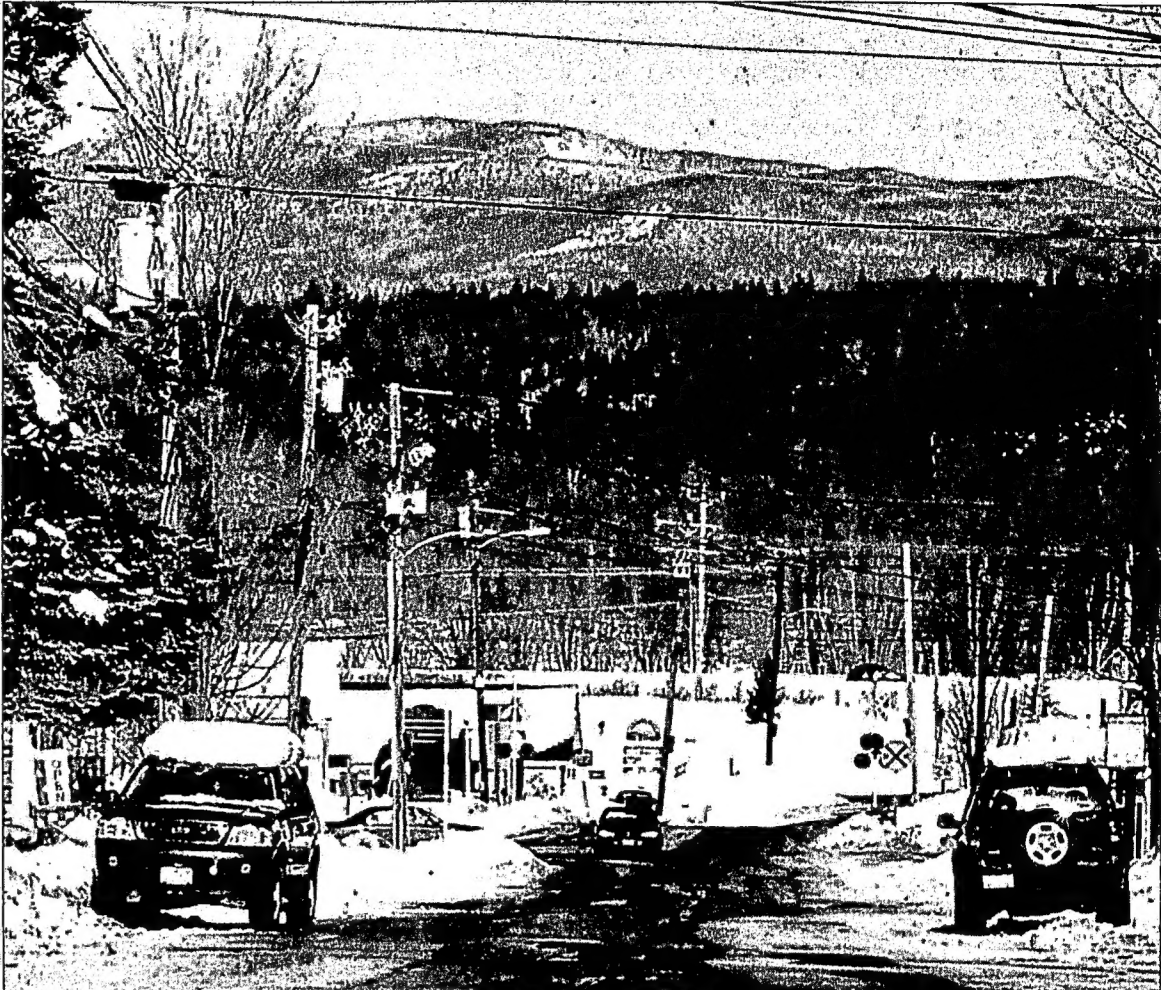

The Mahoosuc Land Trust is a community based nonprofit land conservation organization serving central Oxford County.

The Land Trust owns eight other parcels of conservation land and holds conservation

easements on four more.

The organization also has led a coalition that created the Androscoggin Canoe Trail and through its Bethel Trails committee is working to create in-town trails in the Bethel area.

The Land Trust also hosts the Local Knowledge Series, a series of programs of local interest open to the public at no charge.

the Rebels were forced to borrow a board from Dirigo High School, he said.

"I think [getting scoreboards] is long overdue," Murphy said. "and it's going to be a long time before we can afford \$40,000 to

\$60,000."

Two scoreboards will be put up in the spring, one on the baseball/sooccer field and one on the softball field.

In the fall, a third will go up on the field hockey field. The fourth will be available when the district decides it wants it, Murphy said.

Woodstock director Marcel Polak said he was opposed to setting precedents by bringing advertising into the schools.

"I don't think we can go down that slope without going all the way down the hill," he said.

In addition, "[Pepsi is] going to have a monopoly for six years, and they're going to make a lot of money."

He voted against the proposal.

Several other directors said they have had reservations about advertising, but could live with the Pepsi agreement.

Gilead

by Lin Chapman
When I started writing this column, I had a couple of things in mind

that I would like to accomplish with it.

First of all, I wanted the residents of Gilead to be able to let their friends and relatives know what is happening in their lives. When they travel somewhere, have visitors or achieve a goal, it is nice to share that information with your neighbors.

I also wanted to keep the residents informed on other things that are happening around town such as news related to town government and organizations.

On the matter of town government, there are the selectmen's meetings and the Planning Board meetings. As I receive information on them, I will put it in the column. The Fire Department is another possibility that can be included in the column.

As far as organizations, there is the Gilead Historical Society. Since I am the president and secretary, at least until September, I can provide information on what is on their agenda.

I am always looking for more news, so if you have any, please contact me. If you have any suggestions for any areas to cover that I have not thought of, let me know.

Steve and Lise McLain received calls this weekend from their sons, Capt. Stephen McLain, Iraq and Joey McLain, Bozeman, Mont. Stephen reported that all is going well with him, and Joey said that he had been able to ride

his mountain bike around because there is very little snow left where he is.

Selectmen's Meeting

The selectmen met on Feb. 23 at the town office on North Road. They worked on the budget for next year and discussed other town issues brought up at the meeting.

These meetings are open to the public and the selectmen are interested in hearing concerns of the residents. The next meeting will be on March 9 at the town office, Fred Corriveau, highway commissioner, and Kenneth Cole, fire chief, will be present to work with the selectmen on their budget for the next year. Town Meeting has been set for March 26 at the Town Hall on Depot Street at 7 p.m.

Gilead Historical Society

A few members of the GHS attended Heritage Day on Saturday, Feb. 26, at the Bethel Historical Society.

Representatives from the Newry Bicentennial and Oxford County Bicentennial groups were also present. There were a few craftspeople set up at the Robinson House for people to check out after they had stopped by our tables and visited the gift shop. The Moses Mason House next door was open and giving tours of the period rooms. I always enjoy the gift shop, but this time I purchased a couple of hats and a coffee mug that the Newry Bicentennial table had for sale. They also have T-shirts available with a picture of the covered bridge on them.

The Gilead Historical Society will have a meeting on March 26, at 2 p.m. at the Town Hall on Depot Street.

We will be working on the newsletter and on an agenda for the summer.

Got any news? Call 836-2987 or e-mail chapman@hotmail.

Andover

by Melinda Averill
As I'm writing this the weatherman is predicting 8 to 12 inches of snow

for tonight (Monday.) Get out and enjoy it because winter is on the downslope.

On Saturday, we went over to Roxbury for the ice-fishing derby. It was a lot of fun for the kids. Sarah caught a bass that put her in second place for a while, but she was eventually knocked out.

Dolly Jones, who was operated on Feb 16 at Maine Medical Center in Portland, came home for a short while and then on the 24th entered the Rumford Community Hospital. Get well soon Dolly.

Mrs. Richard Pelletier visited recently with friends in Massachusetts and later accompanied them on a 14-day cruise to Hawaii.

Happy belated birthday congratulations to Alyce Parsons on Feb. 16.

Stephanie Sterling was surprised by her family, with a 40th birthday party last Saturday at the C.E.B.

Reports are of seeing many deer at Barbara Hayden's in East Andover, and closer to the road by the Sylvanus Glovers and Richard Sullivans.

On March 2, Betty Moore celebrated her 79th birthday. Betty and her sister, Beatrice Schneider, live in the former Marshal Howard house in East Andover.

After visiting his parents for a week, Robert J. Swain II returned to his home in Lexington, Ky. On March 28, he will leave for China for a few weeks on business for his company, Lexmark International Inc.

Get well wishes to Kathy (Hutchins) formerly of East

Andover. Kathy donated a kidney to her sister, Shelley, a few weeks ago and is back in the hospital in Portland recuperating after a setback.

Get well wishes to Robert Swain, who is home after spending time in the hospital from his snowmobile accident.

Congratulations to the following Andover students who made the honor roll for the second quarter at Telstar — Grade 6: Sarah Averill, Daniel Vaughn and Elek Pew; Grade 7: Sawyer Barter, Michael MacKnight, and Joel Putnam; Grade 8: Abigail Jones, and Whitney Mills; Grade 9: Mark Emerson, Matthew Farrington, Esther Pew, Julia Stambolis; Grade 10: Jennifer Learned; Grade 12: Frank Emerson, Matthew Mills, Michael Brown, Andrew Farrington, and Clayton Smith.

Hanover

by Clem Worcester
The Hanover Town Office will be closed all day on Thursday, March 3.

Office staff will be traveling to Augusta for classes. The office will also be closed on March 23 for more classes.

Last Tuesday evening, the Fryeburg Academy Nordic ski team along with their coaches attended a team dinner at the home of Barb and Norm Ferguson. The Ramseys and Fergusons share two grandsons, Eric and Ian Ferguson, who were participants in the State Championship held at Sunday River and Black Mountain this past week. Hosting the dinner was their dad, Scott Ferguson, with the help of both sets of grandparents and their mom, Lisa Devineau. It has been an exciting week for the young athletes, as they came in sec-

ond place in Class B competition. The dinner was a huge success with 32 in attendance.

There was a public hearing on Tuesday, Feb. 22, to review the Oxford County Hazard Mitigation Plan. The selectboard and several residents attended. Afterward, the board ratified the Plan.

The Hanover selectboard had their monthly meeting on Feb. 22. Postmaster Gretchen Anderson gave a presentation using computers and videos to promote doing postal business online. She reports that among other things people can go to www.usps.com on their home computers and look up zip codes, purchase stamps and figure parcel postage.

Tom Dubois from Main-Land Development met with the Board to explain the plan to upgrade the Howard Pond Road and Mill Hill Road. A final draft of the plan should be available soon.

A portion of the Howard Pond Road was barricaded off last week due to water leaching onto the road and causing a huge ice buildup making travel very difficult. D.A. Wilson used an excavator to dig out the ice and direct the water through a culvert.

Gordon Howe is recuperating at home following surgery several weeks ago. He is reported to be feeling better.

Alyce Pearce is at home following eye surgery in Lewiston last week. She expects to return to Lewiston next week to have surgery on her other eye.

Kassandra Haines and Alex Hebert, children of Chuck and Angie Haines, are on the honor roll for the second quarter. They are both in the eighth grade.

On Feb. 20, there were 24 people who visited Florence Hastings, all family members from all over the country.

Barbara Honkala and Debbie Eldredge of Unity visited Florence Hastings on Feb. 24.

Roger and Louise Twitchell and Dot Bartlett attended a lunch at Gould Academy and were entertained by the students on Feb. 24.

Roger and Louise Twitchell's grandson, Christopher Boyce, son of Michael Boyce, returned from Iraq this past week. He is a member of the 133rd Engineer Battalion that got into Ft. Drum this past week. They are glad that he is back in the States.

On Feb. 27, Roger and Louise Twitchell had dinner with their granddaughter, Jeannie Tripp, of West Paris.

Jack and Lucy Nordahl's daughter and two sons, Keaton and Milo, were up from Groton, Mass., for the school break, Feb. 21-25. The skiing was fabulous all week. The boys were worn out at the end of each day and went to bed early.

Debbie Eldredge of Unity visited with Rudi and Barbara Honkala from Feb. 23 to 25.

Andre and Flossie Bernier with Bob and Sue Sweetser of Bryant Pond were snowmobiling in New Brunswick from Feb. 19 to 26. They drove to Houlton and took off from there into Canada. They made a loop around the Province.

Jerry Bernier and Wendy Simpson are in Mexico as

chaperones for eight students on a field trip to the west coast of Mexico.

Alder River Grange will try for a meeting on March 11, if it doesn't snow or some other weather going on.

Have a nice week. God Bless the Troops.

West Bethel

by Lorrie Hoeh
One afternoon last week we stopped our car on the Grover Hill Road where the

pipeline crosses, to see two teams of sled dogs being hitched to their sleds. We watched the process and then saw them taking off. Jake, in the back seat, sat up and took notice when he heard the yipping and barking.

Several years ago we hurried up to the road to where the Forest road begins, to watch a pair of teams being hitched. The mushers then invited us to come along for a ride, which we did. If you haven't ever done this, give it a try if you have a chance; it's fun and exciting, and it sure gets you places faster than walking or skiing.

The Inman family really knows how to cure the winter blahs. Gary, Lesley, Caili, and Ani all attended a luau last weekend. Their little piece of Hawaii was at the home of Lesley's brother and sister-in-law, Chris and Andrea Rowse, of Haverill, Mass. It seems Chris and Andrea recently visited the Aloha State and wanted to share some of the fun with

family and friends, thus the luau.

Everyone was decked out in shorts, flip-flops, and Hawaiian shirts. They played a game of "musical coconuts" (passing a coconut instead of circling chairs) with Hawaiian music, saw slides of the Rowses' trip, and everyone learned to dance the hula. I'm not allowed to say who was named the best hula dancer. The menu included Hawaiian chicken, chocolate-covered macadamia nuts, and pineapple, among other things. The Inmans returned Sunday evening, refreshed and renewed by their "tropical" adventure.

Well, the snow gods certainly smiled on our area over the February vacation, dropping plenty of snow and including copious amounts of sunshine. Our Boston family, Kate and Ken Griffin with sons Owen and Rob, arrived last Wednesday evening for a few days of skiing and visiting. On Thursday they met the Chesterville contingent, Cyndy and Paul Stancioff and daughters Elisabeth and Louisa, at Mount Abram for a day of downhill skiing. That evening Martha and Kirk Siegel, with Molly and Andrew, joined all of us for dinner here on the Flat Road. The six cousins enjoyed their reunion as much as the adults, theirs.

Then on Friday, we all took advantage of the ski and swim package at the Bethel Inn, skiing on perfect snow, and then paddling around in the heated indoor-outdoor pool. Of course, there was some rolling in the snow and plunging back into the warm water.

On Saturday the Griffins skied Sunday River and fin-

ished the day dining out with the Siegels while the kids had pizza with Grandma and Grandpa.

As I write this on Monday morning, there are dire predictions of many inches of snow for Tuesday. If the weatherman is correct, March will be coming in like a lion, so maybe we can look forward to its exit as a lamb.

Please call 836-3011 with news, ore-mail:ldhoeh@megalink.net.

East Stoneham

by Eleanor Nelson
Hi readers. Once again it is news time. This week was

kind of busy with the week starting off with Dale and Kitty Nelson taking us out to dinner at the Village Inn in Auburn to celebrate our anniversary. That is the only place we can find good fried clams in batter. We did not count calories that day. It was a good day. Thanks, Dale and Kitty. We got many cards and gifts and oh yes, I got a dozen red roses from Albert. Thanks. We could not afford that 55 years ago.

Wednesday, Feb. 23, the Daughters of Union Veterans of the Civil War, Hannah F. Richardson Tent 19 met at the Community Room here in Stoneham for their regular meeting. There were five members present. Tent President Gail Butterfield opened the meeting at 7:30 p.m. Beth Jones served as chaplain. The yearly dues were discussed and those not up to date should

contact the secretary-treasurer and make arrangements.

The meeting adjourned and the next meeting will be held at the home of Loretta Andrews on March 23. Hot coffee and fruit punch and snacks were served after the meeting.

On Feb. 17, the Waterford-Stoneham Lions met at the Bear Mountain Inn at 6 p.m. The meeting was called to order by Paul Hersey at 6:30 p.m. Guest speaker was Mr. Wheeler about Mt. Tiram and Hawk Mountain. The Lions have gotten permission to build a better hiking trail there. Another speaker was the District Governor Gene. The convention to be held in Lewiston was discussed and it sounds like a real nice and fun affair. This will be April 22 through 24. Members voted to have nametags made up with the Lion logo. There will be three main fundraisers later on with a bean supper, golf tournament and a pig roast and auction. The meeting was adjourned and the next meeting will be March 17 at the Stoneham Rescue Barn in Stoneham. Coffee, snacks and desserts were served.

Shirley Grant from Mechanic Falls was a weekend guest of Frances Grant this last weekend.

Albert Nelson, Jr. has been to his camp at Big Brook in Wilson's Mills this past week with about 11 others there for snowmobiling. What good weather for that. I am sure they all had a good time.

Recently, we had a nice homemade mincemeat pie given to us. Thanks, Mr. Googins. You know what we like and it was good.

Alta Smith stopped in one

day recently and told us about her new grandson, Dante Jones, who was born Feb. 8 at CMMC in Lewiston to Lisa and Dale Allen. Siblings are Dylan and Danielle. Congratulations to you all.

Thanks to Mrs. Nieberle for the following news.

Besides skiing, Karen Yarasites and friends went to the Wednesday night Great Grizzly dinner special. For \$10 you get steak, potatoes, vegetables and a piece of cake for dessert. Good deal.

Amy and Phil Landry have been skiing at Wildcat one day a week.

Sarah Caret, Patti and Gary Carets' daughter has set the date of Aug. 27, 2005 as the day she marries Joe Myers.

Rob Breaux from Breaux II always is friendly when you go in his store, plus his workers. So, Mrs. Nieberle tries to go in and buy something once or twice a week.

Mrs. Nieberle saw Evelyn Bean push snow out of her driveway. She always does a good job at making her house and yard so neat.

Mrs. Nieberle had a very nice dinner at the Cinnamon Stick. You see many area people dining there.

The Nieberles have seen four or five deer at dusk around the pond. They look very healthy. They also have had two new baby calves born this winter.

Mrs. Nieberle saw Leean Coolidge Wright in Bryant

Pond with her daughter, Rose, who is now 11. Leean's father is Bob Coolidge, who owned Bob's Corner Store.

As she said before, the post office is a good place to see people. She saw Joyce Howe, one of the school bus drivers. She asked about her mother, Annella Burnham, who was formerly from here. George Hooper was there and you always get a smile and hello. Peter Haines stopped to say hello. Also, today Tova Westliegh told her she will be opening a gift basket business in the newly renovated Teresa's Studio on Church Street. She makes baskets for any special occasion or will custom make one to your liking.

She met a little four-year-old girl that was very smart and had a good conversation with her about her favorite movie, "Lilo and Stitch." Her name was Bridget Woory and she was cute as a button.

Talk about cute, Mrs. Nieberle could not believe her eyes when four-year-old Russell Cushman was driving his own snowmobile. He was good at it, too.

Silver Creations sold flowers for Valentine's Day and now the next words on her sign will be Easter flowers. Would you believe Easter is early and will be on March 27?

Services at the Baptist Church are Sunday School and Adult Bible Fellowship at 9:45 a.m., morning worship at 10:30 a.m., choir practice at 5 p.m., evening service at 6 p.m. Wednesday night at 6:30 p.m. is prayer meeting, Thursday morning at 9 a.m. is Ladies Bible time. March 5 is a Soup and Sandwich Fellowship supper followed by games and fun. March 25 at 6 p.m. is Good Friday Service. March 27 at 7 a.m. is Easter Sunrise Service and breakfast.

Teresa Chase has moved her beauty salon from the corner on Main Street to 86 Church Street.

Franklin Grange 124 met on Saturday, Feb. 19. They have several fundraisers coming up. In April, there will be a Mock Hee Haw Show and on July 16 they will hold a Grange Fair. From 9 a.m. to 3 p.m. there will be tables to sell food, cookies, Christmas table, etc. Lunch will be for sale at noon. For table space to rent please call Laura at 392-3621 or Peggy at

674-3872 for more information.

The Woodstock-Greenwood Senior Citizens will meet on Thursday, March 3, at Ledgeview Memorial Home. The meeting starts at 11:30 a.m. and the program will be Anita Wildes speaking on Changes in Benefits. Lunch at 12 noon by Ledgeview Auxiliary.

Congratulations to Michelle Deegan, daughter of Ronald and Alice Deegan of Bryant Pond. Michelle is a second-year student at Central Maine Community College and has made the high honors dean's list.

Our communities are full of talented and interesting people. Captain David Bobbe will be the guest speaker at Whitman Memorial Library on Thursday, March 10, at 10 a.m. Captain Bobbe will speak about his life at sea aboard a merchant marine vessel. He has recently returned from delivering military equipment to Kuwait. Come join us. All are welcome. There is no charge and light refreshments will be served.

At the next Historical Society meeting there will be a video on L.L. Bean supplied by Paul Billings and Vicki May. The society meets on Saturday, March 12, at 7 p.m. at the Town Conference Room.

West Paris

by Joyce Lamb
It is surely still winter. More snow and cold most days. It is usually warm

enough to walk at 7:30 a.m. three times a week. Most mornings the sun is bright promising us a few good hours before more snow in the afternoon. The sun is out enough to dry the roads making the traveling safe. Ski areas and the snowmobilers must be happy.

Vince Stevens, Roger and Beverly Thayer have been in Grafton Notch and Andover for a few days to enjoy snowmobiling. They do not seem to mind the cold and wind.

Dustin Tilly spent the day during the school holiday with his great-grandmother, Beverly Stevens, and went swimming at Mollycokett even with the outside temperature

below freezing.

At the West Paris Universalist Church at 9 a.m. on Sunday, March 6, the Rev Joy Gasta will speak on "One Book, One Community." Many communities are reading and meeting to discuss, "Ernie's Ark" by Monica Wood. West Paris will have met on March 2 at the library for their discussion. Some like it, some don't, and I did not care for it.

Bonnie and Jim Hume and two children, Austin and Pracilla, of Orange, Mass., visited me over the weekend. We walked on the snowmobile tracks up under Berry's Ledge and through to Trap Corner. It was sunny and crisp and easy walking on the packed snow. Many deer tracks cut across the trail. It must be a busy place up there when the humans stay away. We had a nice visit and caught up on each other's family news.

Buff enjoyed the extra attention and petting from the company. He is still enjoying sleeping in front of the garage door, even on the coldest days, if the sun shines.

The Annual Town Meeting will be held at 7 p.m., on March 3. The Town Report was distributed last week, and it is an excellent report. The contents are clear and concise. The cover is beautiful. Larry Nelson, Jim Rector and Walter Stanczyk did an excep-

tional job.

Ray and Marie Chabot hosted an outdoor picnic for members and guests of the State Line Snowmobile Club. At least 60 snowmobilers traveled up the Carry Road beside Rapid River to the "Sugar Shack," Ray and Marie's Camp. Homemade turkey soup, chili, American chop suey and many other delicious dishes were offered. The club will hold its monthly meeting on Saturday, March 5. The annual raffle will be one of the highlights of the meeting.

Jessica Casey made honors again this quarter. "Atta Girl" Jessica.

Last week was a busy one on the lake with many enjoying the clear, crisp weather. The town of Errol hosted many snowmobilers. Their engines certainly destroyed the quiet of the little town. It was good for business with the restaurants and stores very busy.

The deer have been raiding the birdfeeders at night. The snow isn't deep and they are having a goofy winter.

Sue Nelson and yours truly traveled to Scarborough to visit with the cardiologist on Thursday. I think it was the only non-snowy day in Portland last week.

The "Bird of the Week" is another favorite, the downy woodpecker. We have a beautiful pair that is very fond of suet. Of course these birds are very similar to the hairy woodpeckers, but much smaller and with a short, stubby bill. Its habitat is woodlots, parks, gardens and anywhere near a suet feeder in winter. They are black and white, but the male has a small, red patch on his nape. Their range is from Alaska to Canada to the southern United States. It is the smallest, fairest and

most abundant of our eastern woodpeckers. I have noticed the bird at the feeders with the nuthatches and chickadees and the book verifies it. They are a much-loved little bird.

Our communities are full of talented and interesting people.

Captain David Bobbe will be the guest speaker at the Whitman Memorial Library on Thursday, March 10, at 10 a.m. Captain Bobbe will speak of his life at sea aboard a merchant marine vessel. He has recently returned from delivering military equipment to Kuwait.

An early birthday was held last Sunday for Jessie Hart at our home. Cake, ice cream and pizza were served. Those attending were: Sarah and Zack Lynch, Kyle Komalinen, Kellie Wing, Vinny Lima, Rick Wing, Richard and Andrea Wing and Jessie. Jessie's birthday is March 2.

It brought tears to my eyes reading about the mother and baby that went into the river in a car. They got out safely. It is surely a miracle.

I have been watching the basketball on Channel 10. I was hoping Telstar girls and boys would make it to the finals. The games are fun to watch.

I am hoping for an early spring. I have had enough of winter. The good thing about Maine is you really look for-

ward to each season, especially summer.

It is amazing how soon after a big storm that the state roads and town roads are good to go on. It is really appreciated.

Larry Billings, curator of the Woodstock Historical Society reports that the museum has a nice collection of tools and farm implements. The society's March meeting will feature a video on L.L. Bean.

March birthdays being celebrated this month are: Derek Leonard, MaryEllen Andrews, Jim Miclon, Harold Wilbur, Michael Scot Moore, Patty Thurlow, Patty Poland, Leslie Thurlow, Darcy Robertson, Phil Merrill, Desman Cox, Carol Corriveau and Mark Thurlow. A special birthday wish to my granddaughter, Jessie Hart. An extra special birthday to Bernice Swan who will be 90 years young on March 13. We wish her many more.

Wedding anniversaries being celebrated in March are Phelps and Joan Poland, Mr. and Mrs. Roger Wilday, and Richard and Andrea Wing who will be celebrating their 50th. Congratulations to all.

well. Here it is, the beginning of March, and we're still getting snow just dumped on us. The kids, after their February vacation, must be just loving having another snow day.

Been quiet, save for the few snowmobiles going by, this past week. The work continues on the home across the way from us, and it's looking very nice.

Church services are Sundays starting at 9:30 a.m. This Sunday, being the first of the month, is communion Sunday, whereby bread and drink are shared to commemorate the Final Supper.

We hope that everyone has been able to plow their way through the snow safely, and that the children are outside enjoying the fluffy, white stuff.

Best wishes for a happy

and safe week. God Bless and Keep.

Greenwood City

Another week has gone by. There was a lot of sliding going on at the Holt family

fields.

Saturday, Albert Sr. and Marie entertained their grandchildren and their daughter, Bonnie, for sliding on sleds and toboggans along with their snowmachines. They want to thank the Holts for letting them use their field.

Sunday, Bradley Payne entertained his daughters and their families with sliding, and David Holt came up and

went up on the hill. Then he had dinner with his family, Leonas and Fay Holt. Everyone had a good time.

Bradley and Ann were snowmobiling on the mountain recently. Ann ran into a tree, but she jumped off so she did not get hurt; thank goodness.

Friday, Bradley and Ann met up with John and Polly Applin at Bethel Inn.

Saturday, Ann met up with her friend, Nancy Hutton, at the Ground Round in Auburn for lunch.

The boys have been busy plowing snow just to get it done and before more comes.

Condolences go out to the family of Donald Morey. He was a brother to Katherine Hakala, one of our old neighbors. Katherine is at the Norway Rehab Place on Marion Avenue. She is in the assist-

ed living part. I am sure she would like to hear from her old friends.

Condolences also go to Dorothy Merrill Watson of Norway on the loss of her daughter. Her husband, Herbie Watson, went two months ago.

North Newry

Calling all Newry mothers: The Newry Mothers Club wishes to invite any and all Newry mothers, regardless of their children's age(s) to join us. Come, check it out and enjoy an hour of socializing with other mothers. Our next meeting is March 8 at 7 p.m. at the

Town Office. Hope to see you there.

A birthday party was held for Karlene Bachelder last Thursday afternoon. To help her celebrate were her twin sisters Hilma Caldwell from Waterville and Wilma Stewart from Unity, Betsy Clark, Gil Seeley, Retta Berry, Anita Clark and Nancy Wight of Newry. Sylvia Gray sent the birthday cake and sent a card. Sue Cross also sent the birthday card that she and Karlene have sent back and forth for about 20 years for each of their birthdays. The card is getting a little worn.

Waterford
by Rockie Graham
Saturday night, we attended the Waterford Fire Department Auxiliary dinner. As usual it was well attended and

there was plenty to eat; a great variety, too. It's a nice place to see people we don't always see, and it was in a warm place, too. After 10 below in the a.m. and the wind howling all day at the transfer station, there is a lot to say for that.

Don't forget that this Friday, the 4th of March, the Waterford Town Office is open for voting for the selectmen of your choice.

Saturday, the 5th, is the annual Town Meeting. It is the time to vote on all the major expenditures for the year. Get your annual town report and read what is coming up on Saturday. Funding for everything is up for a vote. If you disagree with what is recommended, this is the time to have your say.

Thursday, March 3, is the 8th birthday of Sadie Morin. Everyone wish Sadie a Happy Birthday.

Mountain Poets had a really good evening last week. Next meeting is March 31.

FOOTBALL ALUMS—Approximately 40 people attended the Telstar Football Alumni Dinner Saturday. They included past coaches, football players, cheerleaders, current School Board members, football booster committee members and family and friends. Former players and coaches (from the years 1969 to 1982) pictured are, front (from left): Randy Olson, Wayne Cummings, Scott Angevine, Ed Bennett, Brad Wight, Gerald Broomhall. Back: coach Tim LaVallee, coach Phil Taylor, coach Tim Kavanagh, Doug Webster, Richard Chase, Brian Tibbetts, Jody Brown and Bruce Cummings. LaVallee, the first football coach at THS, spoke about his past players and in favor of bringing the sport back to the school. The Telstar Football Boosters have collected more than \$5,000 in donations and pledges toward a goal of \$70,000. If the goal is met, football would begin this fall, according to fundraisers. Pledges can be paid in monthly increments, to be paid in full by June 30, 2007.

Tax break for SUVs is limited

If you're thinking of buying a sport utility vehicle for your business thinking you can take the full cost as an expense under the \$100,000 expensing election for business equipment, take heed. The 2004 tax law now restricts the amount of the first-year expensing for SUVs to \$25,000. The limit applies to vehicles weighing not more than 14,000 pounds. For details on this or other business tax issues, give us a call.

March Magicians and The McDades

March is filled with magicians and the music of The McDades. On Tuesday, March 8 Sunday River's Black Diamond Family Entertainment Series will present the Magic of Kevin Robert and on Saturday, March 12 illusionist, Jason Bishop takes to the stage. Rounding out the series is the Celtic rooted music of The McDades on Tuesday, March 15.

One of Canada's premier magicians and psychic entertainers, Kevin Robert will amaze and amuse you with his many feats of prestidigitation in this evening of magical moments. Kevin performs a high-energy show that incorporates his unique sense of humor sprinkled throughout a mystery packed show.

Combining the best in modern music and fashion, fast-paced illusions and sleight of hand, the Jason Bishop Live show will leave audience members with the incredible feeling that they have just been captivated by one of the world's finest illusionists. Jason's signature piece turns fire and candles into live birds and those birds split into even more birds.

Take a band from Edmonton, Alberta, consisting of two brothers and a sister who grew up playing music together, add to the mix two very eclectic musicians from Montreal and you have a truly Canadian band, the McDades. The McDades are one of the most innovative Celtic-rooted bands of late. A family trio consisting of fiddler/singer Shannon Johnson, multi-instrumentalist and singer Jeremiah McDade and bassist Solon McDade. With vocal harmonies that can only come from a family band and an obvious love for each other and their music, the McDades' stage presentation consists of living room warmth with excellent musicianship.

REAL ESTATE AND YOU

SELLING RENTAL PROPERTIES

Marketing a rental property presents some special challenges. Most owners want to offer the house for sale while tenants are still living there so that the property continues to bring in income. Most Realtors prefer that the property either be occupied by the owner or empty. Tenant-occupied homes are often difficult to sell since the tenants may not share the same pride of ownership and may not be eager to have the sale succeed.

When you put a tenant-occupied house on the market, it is important that you enlist the cooperation of the tenants in the effort to get your house sold. Talk to the tenants first to see if they have a desire and ability to buy the house. If they are not interested in buying, work out with them the ground rules for access to the house. In most cases, the new owners will want the tenants to move, and it will be important to work out alternate living arrangements with them, if necessary. Often sellers either reduce the monthly rent, or forgive the last month's rent in exchange for tenant cooperation in Realtor showings. Creating a cooperative spirit is a major contribution to a smooth sale.

Michelle was my friend through thick and thin. Whenever I was down she could make me grin. She had a style that was all her own. I can't believe she is gone, I feel so alone. I know she's an angel up high in the sky, I only wish I had a chance to say goodbye. I'll never forget my one true friend. Why did your life have to end? I'll miss you Michelle, It won't be the same- your smiles, your giggles, your sadness, your pain. We'll meet again just wait and see. I love you Michelle! I hope you never forget me.
